WELCOME!

Thank you for your interest in The Village. We are pleased to provide a comprehensive educational program for students and their families who will be able to discover the many unique talents and learning styles in each and every student.

Enclosed you will find an application outlining each family's interest of enrollment at The Village. As soon as you submit the application (either via mail or fax) you will receive a full enrollment packet (emergency cards, vaccination forms, etc.).

A tour of the center and/or observations of our classrooms are encouraged, please contact us for a schedule.

Again, thank you for your interest and we hope to have the opportunity to offer your child an enriched and fun early learning experience.

Sincerely,
